The angel : a symbol of PEACE

O little town of Bethlehem, How still we see thee lie Above thy deep and dreamless sleep The silent stars go by: Yet in thy dark street shineth The everlasting light; The hopes and fears of all the years Are met in thee tonight.

For Christ is born of Mary; And, gathered all above, While mortals sleep, the angels keep Their watch of wondering love. O morning stars, together Proclaim the holy birth, And praises sing to God the King, And peace to men on earth.

Away in a manger, no crib for a bed, The little Lord Jesus laid down His sweet head; The stars in the bright sky looked down where He lav. The little Lord Jesus, asleep on the hay.
